## COMPANY PROFILE

# DYGICOM

## ABOUT US

Since its inception in 2018, DYGICOM VISUAL TECHNOLOGY PVT. LTD. is a leading solution provider specializing in Professional Broadcast, Audio/Video, Satellite and Radio Transmission Technologies.

With a strong presence across Eastern India including West Bengal, Mumbai, Odisha, Jharkhand (Ranchi), Chhattisgarh (Raigarh) and the North-Eastern states such as Assam (Guwahati), Meghalaya (Shillong), Sikkim (Gangtok) and Tripura (Agartala), we have become a trusted partner for clients seeking end to end Broadcast, AV and IT solutions.

Our approach is driven by innovation, reliability, deep commitment to customer satisfaction, delivering turnkey solutions and consulting services tailored to the needs of broadcasters, enterprises and govt. institutions.

# DYGICOM

## OUR STRENGTH

**People Powered Innovation:** Our strength lies in our people, a highly skilled team committed to innovation, supported by a process driven organizational framework.

**Global Partnerships:** Collaborations with leading national and international brands reflect our commitment to service quality.

**Expert Project Teams:** Dedicated project engineers and solution designers ensure flawless execution.

**Fast Turnaround & Zero Rework:** Timely delivery with a high success rate is a hallmark of our service.
